### **Financial Interests**

We have no business or material financial interests in any price comparison website which compares funeral directors, crematoria or stone masons and their respective prices. Further we choose not to advertise on any of these sites as our low prices are always available on our own web site.

### **Register of Charitable Donations, Contributions or Gratuities**

Wealden Funeral Services makes a regular donation to Young@Heart for the sponsorship of a place on their social meeting club for the elderly.

We occasionally make charitable donations to good causes, for example a local charity for a fundraiser they have arranged. These are usually between £50 and £100 in value. By their own nature these are one-off and occasional payments by their own definition.

We make no other form of payment to a third party that does not relate to a cost incurred or a service provided by the third party on behalf of or to us.
